Contract No. SP-1927  
Amendment No. 1

Lockheed Aircraft Corporation  
Burbank  
California

20 APR 1966

Gentlemen:

1. Reference is made to Contract No. SP-1927 effective for the period 12 February 1964 through 31 August 1964.

2. The STATEMENT OF WORK was amended by the Program Monitor to delete the following requirements:

"a. Rejection of the dorsal pod mount in favor of a simpler nose mount.

b. Elimination of operational studies planned by the Contractor.

c. Provision to the Contractor of finished optical package designs from other vendors, in place of a special design by the Contractor."

25X1A

3. Pursuant to the provisions of PART IX - RETROACTIVE PRICE REDETERMINATION AFTER COMPLETION, the parties hereto have agreed upon a final price of [REDACTED]

25X1A

25X1A

4. The above results in a net decrease of [REDACTED] or a final consideration of [REDACTED]. All other terms and conditions remain unchanged.

5. Please indicate your receipt and acceptance of this Amendment No. 1 to Contract No. SP-1927 by executing the original and two copies. Return the fully executed original and one copy to the undersigned and retain the remaining copy for your files.

Very truly yours,

THE UNITED STATES OF AMERICA

[REDACTED]  
Contracting Officer
